ABOUT ME

I am a dedicated professional with experience in logistics, fleet management, and stock control. Currently, I am expanding my knowledge in Computer Engineering, focusing on web development and front-end technologies. I also have skills in SQL, multimedia, and computer systems.

I am a team player, adaptable, and eager to learn new things.

FAVORITE QUOTES

- What we do in life echoes in eternity
- Keep putting one foot in front of the other, and one day you'll look back and have climbed a mountain.
